Royal Worcester and Bon Ton Corsets. Typical Examples of the Sale Bargains.

"ADJUSTO" CORSETS REDUCED.

Years of study have gone to the making of the "Adjusto" Corset; it is scientifically formed with careful regard to the natural shape of the human body, and moulds itself to the figure instead of squeezing and cramping it to the shape of the Corset. They reduce the size of the Hips, Waist and Back without injury or inconvenience to the wearer, and impart graceful lines to a stout figure, which gives a smarter and better fit to the gown, and makes it ten times more fashionable.

17U15—Model 400—Royal Worcester Corset, Medium Low Bust, Long Flat Hips and Front. In White or Grey Coutil. Sizes, 19 to 30 in. Waist (as illustration).

Usual Price, 5/11
Sale Price **5/4**

17U16—The Royal Worcester "Adjusto" Model 630, is made of White Coutil, in sizes 22 to 30 in., equipped with Adjusting Bands, which are easily arranged while the Corset is on the figure to make the hips less prominent. This Model is made extra long over Hips and has improved Lacing as shown in illustration.
